Hi Jodi,

Here are the documents you give me to get started for the CFAC WA. Please take a look and let me know what you think and what you can help me with and what I still need to do?

While we are moving forward can I get authorization to get CDMS to start RI/FS work plan review and SAP reviews started?

I'm off tomorrow, but should be able to be reached by cell. 406-202-3791

I appreciate your help in this.

Thanks,
Mike
